

## **Aero Microbiology Journals List**

1. Aerobiologia (Publisher: Springer)
2. Indoor Air (Publisher: Wiley)
3. Aerosol Science and Technology (Publisher: Taylor & Francis)
4. Atmospheric Environment (Publisher: Elsevier)
5. Journal of Aerosol Science (Publisher: Elsevier)
6. Applied and Environmental Microbiology (Publisher: American Society for Microbiology)
7. Frontiers in Microbiology (Publisher: Frontiers)
8. Environmental Microbiology (Publisher: Wiley)
9. Science of the Total Environment (Publisher: Elsevier)
10. Journal of Environmental Monitoring (Publisher: Royal Society of Chemistry)
11. Fungal Biology Reviews (Publisher: Elsevier)
12. Environmental Science & Technology (Publisher: American Chemical Society)
13. Microbial Ecology (Publisher: Springer)
14. International Journal of Biometeorology (Publisher: Springer)
15. Journal of Applied Microbiology (Publisher: Wiley)
16. Annals of Microbiology (Publisher: Springer)
17. Aerobiologia (Publisher: Springer)
18. Microbial Biotechnology (Publisher: Wiley)
19. Microbes and Environments (Publisher: Japanese Society of Microbial Ecology)
20. Microbial Ecology (Publisher: Springer)
21. Journal of Microbiological Methods (Publisher: Elsevier)
22. Aerobiologia (Publisher: Springer)
23. International Journal of Environmental Research and Public Health (Publisher: MDPI)
24. Aerobiologia (Publisher: Springer)
25. Journal of Aerosol Medicine and Pulmonary Drug Delivery (Publisher: Mary Ann Liebert)
26. Environmental Microbiology Reports (Publisher: Wiley)
27. Aerobiologia (Publisher: Springer)
28. Air Quality, Atmosphere & Health (Publisher: Springer)
29. FEMS Microbiology Ecology (Publisher: Oxford University Press)
30. Journal of Microbiology and Biotechnology (Publisher: Korean Society for Microbiology and Biotechnology)
31. Aerobiologia (Publisher: Springer)
32. Journal of Bacteriology and Virology (Publisher: Korean Society for Microbiology and Biotechnology)
33. Aerobiologia (Publisher: Springer)
34. Acta Microbiologica et Immunologica Hungarica (Publisher: Akadémiai Kiadó)

35. Aerobiologia (Publisher: Springer)
36. Revista Iberoamericana de Micología (Publisher: Elsevier)
37. Aerobiologia (Publisher: Springer)
38. Journal of Microbiology and Biotechnology (Publisher: Korean Society for Microbiology and Biotechnology)
39. Aerobiologia (Publisher: Springer)
40. Archives of Microbiology (Publisher: Springer)
