Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Animal Biotechnology Internship Topics and Focused Areas

Xenotransplantation Biology & Research

- Porcine Xenograft Immunocompatibility Assessment
- Gene-Edited Xenogeneic Donor Development
- Xenograft Organ Preservation and Perfusion Techniques
- Xenozoonotic Disease Risk Characterization
- Biocompatibility Testing of Xenograft Materials and Scaffolds

Animal Vaccine Development Biotechnology

- Viral Antigen Characterization and Immunogenicity Assessment
- Vaccine Formulation Development and Stability Testing

- Cell Culture Systems for Vaccine Production
- Immunological Response Evaluation and Biomarker Analysis
- Regulatory Affairs and GLP Compliance in Vaccine Testing

Wildlife Conservation Biotechnology Research

- Conservation Genetics and Population Viability Analysis
- Habitat Restoration Biotechnology
- Disease Surveillance and Pathogen Detection in Wildlife
- Reproductive Biotechnology for Endangered Species
- Bioacoustics and Environmental DNA Monitoring
