Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Biophysics Internship Topics and Focused Areas

Ultraviolet-Visible Spectroscopy Protein Characterization

- Protein Secondary Structure Analysis via UV-Vis Spectroscopy
- Aromatic Amino Acid Characterization and Tryptophan Fluorescence
- Protein-Ligand Interaction Studies Using UV-Vis Titration
- Protein Aggregation and Denaturation Monitoring
- Chromophore-Modified Protein Engineering and Characterization
