Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Biosciences Internship Categories

AI Biosciences Data Integration Research https://internships.nthrys.com/biosciences/ai-biosciences-data-integration-research	Machine Learning for Life Science Discovery https://internships.nthrys.com/biosciences/machine-learning-life-science-discovery
AI Convergent Biosciences Research https://internships.nthrys.com/biosciences/ai-convergent-biosciences-research	AI One Health Biosciences Research https://internships.nthrys.com/biosciences/ai-one-health-biosciences-research
AI Environmental Biosciences Research https://internships.nthrys.com/biosciences/ai-environmental-biosciences-research	AI Global Health Biosciences Research https://internships.nthrys.com/biosciences/ai-global-health-biosciences-research

Biosciences Internship Topics and Focused Areas

AI Biosciences Data Integration Research

- Genomic Data Pipeline Development
- Biomedical Literature Mining and Knowledge Graph Construction
- Metabolomics Data Integration and Pattern Recognition
- Clinical Imaging AI and Radiomics Data Analysis
- Single-Cell Transcriptomics Data Analysis and Cell Classification
