Focused Areas

Kochi

Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

DNA Profiling Internship Topics and Focused Areas

AI Forensic DNA Analysis Research

- Machine Learning Model Development for DNA Sequence Classification
- Automated STR (Short Tandem Repeat) Analysis and Pattern Recognition
- Contamination Detection and Data Quality Assessment in Forensic Samples
- Database Matching Algorithms and Population Statistics Analysis
- Deep Learning for Next-Generation Sequencing (NGS) Data Interpretation
