Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Epigenomics Internship Topics and Focused Areas

AI Epigenetic Clock & Aging Research

- Epigenetic Age Prediction Model Development
- DNA Methylation Data Processing & Quality Control
- Aging-Associated Epigenetic Markers Identification
- Integrative Multi-Omics Analysis for Aging Research
- Validation & Benchmark Development for Epigenetic Clocks
