Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Fuel Biotechnology Internship Topics and Focused Areas

Photobioreactor Design Scale-Up Microalgae

- Photobioreactor Hydrodynamics Optimization
- Light Distribution and Penetration Analysis
- CO2 Mass Transfer and Carbon Utilization
- Temperature Control and Thermal Management in Scale-Up
- Biomass Harvesting and Downstream Processing Integration
