50 Active Categories	0 Focused Areas	Bengaluru Accommodation Location
--------------------------------	---------------------------	--

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Fungal Biotechnology Internship Categories

AI Fungal Genome Mining Research https://internships.nthrys.com/fungal-biotechnology/ai-fungal-genome-mining-research	Machine Learning Fungal Secondary Metabolite https://internships.nthrys.com/fungal-biotechnology/machine-learning-fungal-secondary-metabolite
AI Mycoremediation Research https://internships.nthrys.com/fungal-biotechnology/ai-mycoremediation-research	AI Fungal Enzyme Biotechnology Research https://internships.nthrys.com/fungal-biotechnology/ai-fungal-enzyme-biotechnology-research
AI Fungal Biopesticide Research https://internships.nthrys.com/fungal-biotechnology/ai-fungal-biopesticide-research	AI Mycelium Material Development Research https://internships.nthrys.com/fungal-biotechnology/ai-mycelium-material-development-research
