

Genome Annotation Internship with Accommodation at Kolkata

This PDF is generated dynamically from the current NTHRYS ASCEND database for **Genome Annotation**.

Source page:
<https://www.nthrys.com/genome-annotation-internship-with-accommodation-at-kolkata.html>

50 Active Categories	5 Focused Areas	Kolkata Accommodation Location
--------------------------------	---------------------------	--

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Genome Annotation Internship Categories

AI Structural Genome Annotation Research https://internships.nthrys.com/genome-annotation/ai-structural-genome-annotation-research	Machine Learning Functional Annotation Research https://internships.nthrys.com/genome-annotation/machine-learning-functional-annotation
AI Non-Coding Genome Annotation Research https://internships.nthrys.com/genome-annotation/ai-non-coding-genome-annotation-research	AI Repeat Element Annotation Research https://internships.nthrys.com/genome-annotation/ai-repeat-element-annotation-research
AI Comparative Annotation Research https://internships.nthrys.com/genome-annotation/ai-comparative-annotation-research	AI Epigenome Annotation Research https://internships.nthrys.com/genome-annotation/ai-epigenome-annotation-research
AI Metagenome Annotation Research https://internships.nthrys.com/genome-annotation/ai-metagenome-annotation-research	AI Regulatory Annotation Research https://internships.nthrys.com/genome-annotation/ai-regulatory-annotation-research
AI Variant Annotation Research https://internships.nthrys.com/genome-annotation/ai-variant-annotation-research	AI Pan-Genome Annotation Research https://internships.nthrys.com/genome-annotation/ai-pan-genome-annotation-research
CRISPR Gene Target Identification Annotation https://internships.nthrys.com/genome-annotation/crispr-gene-target-identification-annotation	Microbial Pathogen Genome Feature Annotation https://internships.nthrys.com/genome-annotation/microbial-pathogen-genome-feature-annotation
Ancient DNA Sequence Annotation Methods https://internships.nthrys.com/genome-annotation/ancient-dna-sequence-annotation-methods	Splice Variant Junction Annotation Research https://internships.nthrys.com/genome-annotation/splice-variant-junction-annotation-research

Circular RNA Element Annotation Study https://internships.nthrys.com/genome-annotation/circular-ma-element-annotation-study	Promoter Region Strength Annotation Pipeline https://internships.nthrys.com/genome-annotation/promoter-region-strength-annotation-pipeline
Plant Secondary Metabolite Gene Cluster Annotation https://internships.nthrys.com/genome-annotation/plant-secondary-metabolite-gene-cluster-annotation	Non-Homologous Gene Prediction Annotation https://internships.nthrys.com/genome-annotation/non-homologous-gene-prediction-annotation
Long Non-Coding RNA Feature Annotation https://internships.nthrys.com/genome-annotation/long-non-coding-ma-feature-annotation	Horizontal Gene Transfer Detection Annotation https://internships.nthrys.com/genome-annotation/horizontal-gene-transfer-detection-annotation
Chromatin Accessibility Peak Annotation Integration https://internships.nthrys.com/genome-annotation/chromatin-accessibility-peak-annotation-integration	Disease Association SNP Annotation Database https://internships.nthrys.com/genome-annotation/disease-association-snp-annotation-database

Intrinsically Disordered Region Annotation Analysis https://internships.nthrys.com/genome-annotation/intrinsically-disordered-region-annotation-analysis	Species-Specific Gene Loss Annotation Tracking https://internships.nthrys.com/genome-annotation/species-specific-gene-loss-annotation-tracking

Genome Annotation Internship Topics and Focused Areas

Long Non-Coding RNA Feature Annotation

- lncRNA Secondary Structure Prediction and Validation
- Comparative lncRNA Annotation Across Species
- lncRNA-Protein Interaction Site Mapping
- Quality Assessment and Curation of lncRNA Annotations
- Context-Specific lncRNA Expression and Localization Annotation
