

About NTHRYS OPC PVT LTD

NTHRYS OPC PRIVATE LIMITED is a distinguished entity duly incorporated by the Government of India, operating under the esteemed purview of the Ministry of Corporate Affairs (MCA). This dynamic company operates across diverse domains, offering a comprehensive array of Products and Services that fall under the following meticulously curated categories: Research Grade Immunoglobulins, Hydrogels, Probiotics, Biopesticides, Biofertilizers, and Environmental Bioremediation, which align seamlessly with sustainable and eco-conscious practices as of December 2021.

NTHRYS OPC (One Person Company) Pvt Ltd, a visionary venture, came into existence through its formal inception and registration within the MCA, Government of India, in January 2020. It was conceptualized as an avant-garde Firm with the primary objective of orchestrating the successful launch of Products and Services that have been methodically devised and standardized under the auspices of NTHRYS BIOTECH LABS, a venerable Research Firm boasting an impressive legacy of over 20 years of groundwork within their respective fields.

At the helm of NTHRYS OPC Pvt Ltd (NOPC) stands the erudite Balaji S Rao, who currently serves as both the astute Managing Director and the visionary Research Head. Under his able leadership, NOPC is poised to navigate the intricate landscape of biotechnology and allied sciences with finesse, delivering innovative solutions that address contemporary challenges while embracing the spirit of sustainability and environmental stewardship.
