

Academic MoUs

NTHRYS is keen on establishing well defined terms of collaboration with Academic Institutions by MOUs signed by both the heads of Institutions binding judicially. NTHRYS has zero tolerance policy with institutions who just ask for MOUs for the sake of making MOUs for internal documentation or displaying them to University Committee.

Most of the activities are linked directly to financials of respective activity. We sign up MOUs only if these financial go with 50:50 share basis between both the parties.

Please do not waste your time and our time by asking visits / personal chats / talks / discussions / sittings or what ever they call it. NTHRYS do not send any executive for personal visits for these discussion. We can provide / clarify all details / queries before MOU sign up via emails / phone calls. Please check all the details below.
