Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Medical Biochemistry Internship Topics and Focused Areas

Biofilm Microbial Enzymatic Metabolism

- Extracellular Enzyme Production in Biofilm Matrices
- Metabolic Pathway Analysis in Biofilm Communities
- Quorum Sensing and Enzymatic Regulation in Biofilms
- Biofilm Degradation and Enzyme-Based Antimicrobial Strategies
- Enzymatic Biomarkers for Biofilm Detection and Monitoring
