Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Medical Microbiology Internship Topics and Focused Areas

AI Viral Disease Microbiology Research

- Machine Learning Models for Viral Genome Sequencing Analysis
- Deep Learning-Based Viral Protein Structure Prediction
- Computer Vision for Viral Morphology and Electron Microscopy Image Analysis
- Predictive Epidemiology and Viral Disease Outbreak Forecasting
- Natural Language Processing for Viral Research Literature Mining and Knowledge Extraction
