Bengaluru
Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Molecular Medicine Internship Topics and Focused Areas

Endothelial Dysfunction Molecular

- Endothelial Permeability and Barrier Function Assessment
- Nitric Oxide Bioavailability and eNOS Dysfunction
- Endothelial Inflammation and Leukocyte Adhesion Dynamics
- Vascular Oxidative Stress and ROS-Mediated Signaling
- Endothelial Dysfunction in Disease Models: Diabetes and Hypertension
