Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Molecular Programming Internship Categories

AI DNA Computing Research https://internships.nthrys.com/molecular-programming/ai-dna-computing-research	Machine Learning DNA Storage Research https://internships.nthrys.com/molecular-programming/machine-learning-dna-storage-research
AI Molecular Logic Gate Research https://internships.nthrys.com/molecular-programming/ai-molecular-logic-gate-research	AI RNA Computing Research https://internships.nthrys.com/molecular-programming/ai-rna-computing-research
AI Synthetic Gene Regulation Research https://internships.nthrys.com/molecular-programming/ai-synthetic-gene-regulation-research	AI Molecular Robotics Research https://internships.nthrys.com/molecular-programming/ai-molecular-robotics-research
