Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Mycology Internship Topics and Focused Areas

Fungal Drug Metabolism and Detoxification Pathways

- Cytochrome P450 Enzyme Characterization in Fungal Species
- Antifungal Resistance Mechanisms and Drug Efflux Transporters
- Glutathione S-Transferase Pathways in Fungal Detoxification
- Metabolic Profiling of Fungal Drug Metabolites
- Regulation of Detoxification Gene Expression Under Drug Stress
