Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Nutrigenomics Internship Topics and Focused Areas

Personalized Supplement Formulation Lab

- Nutrigenomic Biomarker Analysis for Supplement Response
- Micronutrient-Gene Interaction Mapping
- Population-Specific Supplement Protocol Development
- Pharmacogenomic Testing Integration for Supplement Safety
- Machine Learning Models for Personalized Nutrient Recommendation
