Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Pharmaceutical Microbiology Internship Topics and Focused Areas

Machine Learning Microbial Contamination Research

- Predictive Modeling of Microbial Contamination in Pharmaceutical Manufacturing
- Image Analysis and Microbial Colony Detection Using Deep Learning
- Time-Series Analysis for Microbial Contamination Trend Detection
- Natural Language Processing for Contamination Incident Reporting and Root Cause Analysis
- Multi-Modal Machine Learning for Integrated Microbial Quality Control
