

Pharmacogenetics Internship with Accommodation at Chennai

This PDF is generated dynamically from the current NTHRYS ASCEND database for **Pharmacogenetics**.

Source page:
<https://www.nthrys.com/pharmacogenetics-internship-with-accommodation-at-chennai.html>

50 Active Categories	5 Focused Areas	Chennai Accommodation Location
-------------------------	--------------------	-----------------------------------

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Pharmacogenetics Internship Topics and Focused Areas

AI Adverse Drug Reaction Genetics Research

- Pharmacogenomic Variant Classification and Annotation
- Machine Learning Models for ADR Prediction
- Population-Specific Pharmacogenetic Association Studies
- Drug-Gene Interaction Network Analysis
- Clinical Decision Support System Development for Personalized Medicine
