Accommodation Location

How to View Accommodation Details and Booking Options

1. Open the Internships page or the corresponding Topics page.
2. Select the relevant focused area.
3. Select the available duration, mode and internship type.
4. Choose **Offline** mode to access accommodation booking options.
5. Continue to the fee/payment page and use the **Branches Select Option**.
6. After selecting the branch, use **Book NTHRYS Accommodation** to view accommodation fee, facility photographs, amenities and the available booking details.

Proteomics Internship Topics and Focused Areas

Viral Proteomics and Host Interactions

- Viral Protein-Host Protein Interaction Mapping
- Post-Translational Modification Analysis of Viral Proteins
- Quantitative Proteomics of Infected Cell Populations
- Viral Structural Proteomics and Assembly Mechanisms
- Host Immune Response Proteomics During Viral Infection
