

Biomedical Job Guaranteed Training Program

This intensive program ensures candidates are fully job-ready for clinical labs and biomedical companies by covering end-to-end diagnostic workflows, documentation standards, real-life troubleshooting, and soft skills for professional lab roles.

Note: Below modules are designed keeping high end industrial professionals into consideration. Please refer individual protocols below for affordable prices.

Comprehensive Diagnostic Workflow

Biomedical Training Module

Fee: Contact Us

Protocols List

1. Detailed hematology and biochemistry panel execution
2. Cross-checking and validating abnormal test results
3. Documentation for NABL audit-ready records
4. Troubleshooting analyzers and repeat test workflows

QA/QC Compliance and Record Maintenance

Biomedical Training Module

Fee: Contact Us

Protocols List

1. Maintaining calibration logs and QC summary reports
2. Handling internal and external proficiency tests
3. Regulatory requirements for ISO and NABL inspections
4. Handling biomedical waste per CPCB guidelines

Career Support and Interview Preparation

Biomedical Training Module

Fee: Contact Us

Protocols List

1. Mock practical rounds and viva on diagnostic test cases
2. HR interview roleplays and soft skill exercises
3. Guided application for real-time lab openings
4. Issuance of placement recommendation letters

Individual Protocols Under Biomedical Job Guaranteed Training Program

1. End-to-end sample processing: from reception to reporting | [Fee: Contact Us](#)
2. Detailed hematology and biochemistry panel execution | [Fee: Contact Us](#)
3. Cross-checking and validating abnormal test results | [Fee: Contact Us](#)
4. Documentation for NABL audit-ready records | [Fee: Contact Us](#)
5. Troubleshooting analyzers and repeat test workflows | [Fee: Contact Us](#)
6. Daily QC charting using Levey-Jennings rules | [Fee: Contact Us](#)
7. Maintaining calibration logs and QC summary reports | [Fee: Contact Us](#)
8. Handling internal and external proficiency tests | [Fee: Contact Us](#)
9. Regulatory requirements for ISO and NABL inspections | [Fee: Contact Us](#)
10. Handling biomedical waste per CPCB guidelines | [Fee: Contact Us](#)

11. Resume building with lab-specific project highlights | [Fee: Contact Us](#)
12. Mock practical rounds and viva on diagnostic test cases | [Fee: Contact Us](#)
13. HR interview roleplays and soft skill exercises | [Fee: Contact Us](#)
14. Guided application for real-time lab openings | [Fee: Contact Us](#)
15. Issuance of placement recommendation letters | [Fee: Contact Us](#)
