

## CDM Summer Internships

Join CDM summer internships to gain hands-on experience in clinical data management, focusing on clinical trial data collection, database design, and data validation for ensuring data accuracy in regulatory submissions.

### Focussed Areas under Cdm Summer Internship

1. Clinical data management systems in clinical trials
2. Database design and implementation for clinical studies
3. Electronic data capture systems for clinical trials
4. Data validation and cleaning in clinical research
5. CDISC standards implementation in clinical data management
6. Clinical trial data collection and management protocols
7. Data integrity and regulatory compliance in clinical trials
8. Adverse event data management and reporting
9. Electronic case report form (eCRF) design and implementation
10. Data query management and resolution
11. Quality assurance and control in clinical data management
12. Clinical trial metadata management systems
13. Database locking and freezing for clinical studies
14. Database design for pharmacovigilance data
15. Integration of data management systems with regulatory bodies
16. Implementation of electronic trial master files (eTMF)
17. Data extraction and reporting for clinical trials
18. Risk-based monitoring in clinical trials
19. Compliance with ICH GCP guidelines in data management
20. Data management for real-world evidence studies

### Protocols Covered across various focussed areas under Cdm Summer Internship

1. Designing and implementing clinical trial databases
2. Electronic data capture system setup and management
3. Data cleaning and validation protocols
4. Adverse event reporting in clinical trials
5. Data integrity checks for clinical data management
6. Designing and managing eCRFs in clinical trials
7. Data query management systems

8. Risk-based monitoring implementation in clinical data management
9. Database locking and freezing procedures
10. Compliance with CDISC standards in clinical data management

**Duration: 5, 10, 15, 20, and 30 Days**

**Note: Please cross confirm whether internship slots for this field are available before joining.**
