

## **Forensic Science Summer Internships**

Join Forensic Science summer internships to explore the application of scientific methods and techniques in solving crimes, focusing on crime scene investigation, forensic DNA analysis, toxicology, and the latest advancements in forensic technology.

### **Focussed Areas under Forensic Science Summer Internship**

1. Crime scene investigation and evidence collection
2. Forensic DNA analysis and genetic profiling
3. Toxicology and forensic chemistry
4. Forensic anthropology and human identification
5. Fingerprint analysis and forensic imaging
6. Ballistics and firearm investigation
7. Forensic entomology and its role in crime solving
8. Trace evidence analysis (fibers, hair, soil)
9. Forensic psychology and criminal profiling
10. Digital forensics and cybercrime investigation
11. Advanced forensic techniques in autopsy
12. Forensic odontology (dental evidence analysis)
13. Forensic microbiology in crime scene investigation
14. Bloodstain pattern analysis
15. Forensic pathology and cause of death determination
16. Forensic toxicogenomics
17. Forensic document examination and handwriting analysis
18. Analysis of biological fluids in forensics
19. Environmental forensics and crime scene contamination
20. Forensic serology and immunology in investigations

### **Protocols Covered across various focussed areas under Forensic Science Summer Internship**

1. Crime scene evidence collection protocols
2. DNA extraction and profiling techniques
3. Forensic toxicology screening methods
4. Fingerprint analysis and comparison techniques
5. Bloodstain pattern analysis methodologies
6. Ballistics testing and firearm identification procedures
7. Forensic anthropology methods for human identification

8. Forensic entomology techniques for crime scene investigation
9. Digital forensics tools and methodologies
10. Trace evidence collection and analysis protocols

**Duration: 5, 10, 15, 20, and 30 Days**

**Note: Please cross confirm whether internship slots for this field are available before joining.**
