

## Forensic Science Winter Training Program

Our Forensic Science Winter Training Program is structured to provide hands-on forensic science training with a focus on techniques and challenges unique to the winter season. Ideal for students and professionals seeking seasonal specialization.

**Note: Below modules are designed keeping high end industrial professionals into consideration. Please refer individual protocols below for affordable prices.**

### 15 Days

**Kindly review the fees outlined for the individual protocols listed in this module.**

- Introduction to Forensic Science and Winter Crime Scene Challenges
- Evidence Collection Techniques in Cold Weather
- Forensic Documentation in Low Light Conditions

### 30 Days

**Kindly review the fees outlined for the individual protocols listed in this module.**

- Winter-specific Evidence Handling and Preservation
- Forensic Toxicology with a Focus on Cold Weather
- Digital Forensics: Electronic Evidence Handling in Winter

### 45 Days

**Kindly review the fees outlined for the individual protocols listed in this module.**

- Forensic Biology: DNA and Trace Evidence Collection in Winter
- Pattern Evidence Analysis: Fingerprints and Tool Marks in Cold Conditions
- Crime Scene Reconstruction in Cold Environments

## **Individual Protocols Under Forensic Science Winter Training Program**

1. Overview of forensic science and winter-specific techniques | **Fee: Contact for fee**
2. Crime scene management with focus on cold weather challenges | **Fee: Contact for fee**
3. Evidence collection in snow and freezing temperatures | **Fee: Contact for fee**
4. Handling biological evidence in low temperatures | **Fee: Contact for fee**
5. Forensic toxicology focusing on winter-related substances | **Fee: Contact for fee**
6. Digital forensics with considerations for cold device handling | **Fee: Contact for fee**
7. Winter-specific DNA extraction and preservation techniques | **Fee: Contact for fee**
8. Fingerprint lifting techniques in cold, dry conditions | **Fee: Contact for fee**
9. Mock crime scene analysis for winter scenarios | **Fee: Contact for fee**
10. Forensic reporting with adjustments for winter fieldwork | **Fee: Contact for fee**
