Service Segment - Instrument Booking, Calibration & Validation Charge: Rs 9800

Keep instruments ready, qualified and bookable with zero surprises. This segment builds a booking and qualification view for your key equipment: utilisation targets, IQ/OQ/PQ documentation, calibration schedules, service history and contingency options.

Instrument-wise booking plan with utilisation targets and buffers

IQ, OQ and PQ qualification documentation mapped to each instrument

Calibration schedule, due dates and certificate archive

Preventive maintenance plan and vendor service SLAs

Spare parts and critical consumables lists per instrument

Fallback instruments and switchover SOPs for breakdown scenarios
